FUNDING SUPPORT

YOU MAY NOT HAVE TO PAY FULL PRICE UPFRONT

- Flexible Support Fund — can cover some or all of your course cost if your Work Coach agrees it'll help you find work. Ask your Work Coach directly.
- Training allowance — up to 16 weeks of work-related training while still receiving Universal Credit. Confirm with your Work Coach or at gov.uk.
- Spread the cost — pay in instalments via Klarna or PayPal Pay in 3. See get-licensed.co.uk/train-now-pay-later for terms.

Funding eligibility is set by the Department for Work and Pensions and your local Jobcentre, not by Get Licensed — always confirm your own eligibility and the current rules with your Work Coach before booking.

Get Licensed is a training and staffing platform, not a government body or the SIA. Course prices, dates and locations change regularly and are confirmed at the time of booking. SIA licence application fees are paid separately to the SIA and are not included in course prices above. Funding eligibility is determined by the DWP/Jobcentre Plus, not by Get Licensed.
